

# Aska

Bolgheri Rosso DOC

2017

## VARIETIES

Cabernet Sauvignon and Cabernet Franc

## DESCRIPTION

Wine born from the Banfi adventure in the Bolgheri area.

2017 vintage was characterized by a particularly dry and hot summer, which favored the early ripening of the grapes. The absence of rains during September favored the harvest operations.

Complex and intense aromas, characterized by hints of blueberry and jam, followed by notes of tobacco and cocoa. In the mouth it is soft, with sweet and elegant tannins. Long and persistent finish on the palate. Wine with very good aging potential

Thanks to the good structure and elegance that distinguish it, Aska goes perfectly with game dishes, aged cheese and cold-cuts.
