Cortese

DESCRIPTION

A wine that comes from the Cortese di Gavi. One of the great historical and traditional vine of the lower Piedmont.

The growing season of the 2019 was marked by a mild winter that anticipated the vegetative awakening. After a spring with lower temperatures, the excellent summer weather conditions led to a good quality of the grapes.

Brilliant straw yellow color, hints of lime, citrus and golden apple on the nose blend perfectly into an intense and fresh aroma. On the palate the softness is well balanced by a hint of acidity. Good persistence.

Excellent wine as an aperitif but also particularly suitable with starters and first courses based on fish.
